CREATRIX

Presents

PRIZES WORTH
10K

INTRODUCTION

Creativity is nothing but intelligent impression of nature's fabric. The closest one is the strongest weave. If you think your work can match up, then be there at Pantheon where we give you the basics to build the structure that survives.

RULES

- ◆ A team can consist Maximum 4 members and minimum 2 members.
- ◆ Cross college teams are not allowed.
- ◆ Consist of 3 rounds. Prelims will be a theory test based on simple civil engineering concepts. Second and final rounds will be model making.
- ◆ Materials for model making will be provided.
- ◆ Participants should produce a valid identity card of their institute.

PROBLEM STATEMENT

Problem statement will be announced on spot.

PRIZES

First prize: 5k

Second prize: 3k

Third prize: 2k

JUDGING CRITERIA

Based on the ratio of maximum load taken to the self weight of the structure.
